

Tweetalicious

Background

Tweetalicious is a start up focused on helping online shoppers discover the deals they want from the brands and retailers they love. We let you window shop the web through Twitter.

- Tweetalicious is a free community that brings you featured deal Tweets based on your shopping preferences while organizing your Twitter streams
- Site launched in June at www.tweetalicious.com featuring the Deal Me button to serve as the remote control for shopping content on Twitter
- Three friends founded the site in King of Prussia, Pennsylvania
- An iPhone app is currently in development –Tweetalicious shopping will be mobile!

How It Works

Fast, Free and Easy!
